

REMARKS

Claims 1-4 are pending. Claims 1-4 have been amended to correct typographical and/or grammatical errors. No new matter has been introduced.

Objections

Claims 1-4 have been objected to for the reasons noted at pages 2-3 of the Office Action. In response, the claims have been amended as suggested by the Examiner to replace "if" with "in" and to replace "production" with "producing". Additionally, "orientating" has been replaced with "orienting" and the verb "is" has been inserted where appropriate. See the **Listing of the Claims** section of his paper.

In view of the above, Applicant respectfully requests reconsideration and withdrawal of the objections of record.

Conclusion

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early indication to that effect is earnestly solicited.

If any unresolved issues remain after full consideration of this paper, the Examiner is requested to telephone the undersigned attorney so that those issues may be promptly resolved.

Respectfully submitted,

STAAS & HALSEY LLP
